ELECTION

Pursuant to the Examiner's request for restriction mailed May 28, 1992, applicant hereby restricts for prosecution in this case claims 15-20, with traverse, except no traverse is submitted with respect to claims 21 and 22.

Applicant had in draft form a preliminary amendment, which is just now being submitted, when the request for election was received. The undersigned has been out of the office a good deal of time for the past few months due to illness, and thus the delay in submitting the preliminary amendment.

To the extent that the examiner will require further restriction, the undersigned would be glad to deal with the matter via telephone.

Respectfully submitted,

By C.A. Phillips
